From

Collector of South Kanara.

To

The Secretary to the Commissioner of Civil Supplies, Board of Revenue (C.S.)
Madras.

Sir,

PROCUREMENT - Paddy and Rice - Bonus Scheme 47 - Accounts - Maintenance Scrutiny - Additional Staff - Retention - Requested.

Not fwd up — Ref: 1. Board's Ref. F.II 59325/49-1(CS) d/25-5-49

p 5 of (S) — 4. G.O. Ms. No.1254 Food and Agricultural Dept. dated 26-10-49

The period of retention of the Upper Division Accountant's post for the finalization of the bonus accounts, sanctioned in G.O. Ms. No.1254 Food and Agricultural Department dated 26-10-49 expires on 2-2-50. The work in Karkal and Coondapur taluks has almost reached completion, the drawals from the treasury and the disbursements according to the disbursement registers have been tallied, only the recoveries of irregular payments have to be effected and the omissions to fill up certain cols. of the prescribed registeres remain to be attended to.

2 The inspections of the Board on this office report Ref.C.No.19138-W6-49 dated 30-9-49 have just been received. As some of the omissions have been ordered to be supplied with reference to the connected records and as the work involved is tedious and voluminous it may take some time to complete it.

3 There are four taluks whose accounts are yet to be finally settled. In Puttur Taluk above, irregular payments amounting to Rs.524-1-0 have been noticed. These payments relate to the deliveries of foodgrains made either before or after the bonus period. Cases of double payments on one and the same yadast - both on production of the original in the first instance and the duplicate at a later date - have also been detected. Action is being taken to recover these irregular and double payments. Again, some of the disbursement registers are not traceable and on this account, the reconciliation is held up in some taluks. Further more this is the season for the issue of rice permits to landholders and for an intensive drive for procurement. Therefore, the Tahsildars and the Taluk Supply Officers could not concentrate their attention on the reconciliation of accounts. Seeing the present state of the accounts, I fear it may not be possible to finalise them within the present period of sanction. It is estimated that at least a further period of three months will be required for the completion of the work. I request that sanction for the continuance of the post for a further period of three months from 3-2-50 to 2-5-50 may kindly be obtained and communicated to me early.

Yours faithfully,

For Collector.

The Govt do not consider it necessary to retain the U.D. Kanara dt. If the Bd considers that the retention of the Acct beyond 28.2.50 is necessary it is requested to fully justify his further retention. The Bd is also requested to obtain a full & detailed report regarding the irregular & double payments referred to in paragraph 3 of the Colr's report submitted with its ref. cited & forward to it to the Govt with its remarks.
